HACC’s Gettysburg Campus offers one-stop enrollment event for fall classes

GETTYSBURG – Busy students planning to enroll for fall classes at HACC can come to a one-stop enrollment event from 2-8 p.m. Wednesday, July 15, on the Gettysburg Campus of HACC, Central Pennsylvania’s Community College, 731 Old Harrisburg Road.

During this special stop-in event, students can apply, complete placement testing, schedule an advising session and find out about financial aid and payment options – all in one visit.

Completion time for the placement test is approximately two hours. Photo identification is required. Fall classes start Aug. 24.

“This innovative ‘One Stop’ enrollment event allows us to streamline the admissions process and make it convenient for students to enroll at HACC in just one visit," said Scott Simonds, dean of student services at the Gettysburg Campus.

Prospective students can get a look at the newly renovated campus with its vibrant new student center, known as "the HUB," and an innovative learning commons where library
services, instructional technology and learning support resources are integrated in one open space.

Students can select day and evening classes, part-time or full-time study, online courses, and on-site classes at the Gettysburg Campus as well as in Hanover, New Oxford and Chambersburg.
